

AT THE GRAND CAMP

Maccabee Committees Are Completing Preparations.

PROGRAM FOR THE MEETING

Nearly 10,000 Members Will Be in Line in the Grand Parade—Prizes Offered in the Contests.

Preliminary arrangements for the grand Maccabee encampment to be held here in September are about completed. There is every reason to believe that it will be one of the most successful encampments ever held. The officers of the Maccabee organization estimate that there will be at least 10,000 members of the order in the city, and that 30,000 friends of the Maccabees will be here to attend the encampment. The committee in charge of the program has completed its work, and announces the following order of business:

Monday, September 12—Jubilee Day.

The committee on credentials will meet in the headquarters of the great camp in the morning. The credentials of all the delegates must be presented to the committee for consideration.

Tuesday, September 13—In the morning the grand parade of the uniformed ranks and tents will take place. The parade will be headed by a platoon of police, and a band of twenty of the great camp. In the afternoon the grand illuminated parade will be held, illustrating the history of Maccabeeism. The evening will be a wonderful spectacular demonstration. At the conclusion of the parade it will be given in Lockyer hall to the visiting Knights and Lady Maccabees.

Wednesday, September 14.

This will be Maccabee day at the Kent county fair. The band tournament and competition drills of the uniformed ranks will be held there. In the evening a public entertainment will be given in Lockyer hall. The governor and his staff are expected to be present. Speeches will be made by the governor, officers of the grand camp and leading members of the order.

The business of the day will be transacted by the delegates at a meeting to be held in Lockyer hall at 9 o'clock in the morning. The remainder of the session will be devoted to business. The reports of the grand officers will be heard and the annual election will take place.

Prizes to be Offered.

The following prizes have been offered:

To the division of uniformed rank making the best display, a silver cup; second prize, \$100; third, \$75.

To the best marching band in line, two drums and a life, \$25 and a banner.

To the best dressed and best appearing tent, a \$20 banner.

For the best float in the grand parade, \$100.

For the tent having the largest number of members in line, proportion to its membership, a \$25 banner.

For the best band, \$25; second, \$15; third, \$10.

For the best life and drum corps, \$50.

For the division coming the greatest distance with not less than twenty-one men in line, \$150.

Beautiful Decorations.

The committee on decorations has decided to follow the style adopted in New York City on Columbus day.

Bridge street, from Stocking street to Canal street, Canal and Monroe streets will be brilliantly decorated with flags, bunting and evergreen throughout their entire length. A huge tent of evergreens will be erected in Camp square. The committee intends to expend about \$4,000 in putting the city in holiday attire. All the business houses along the line of march will assist in the work of decorating, and it is the intention to make the display surpass anything of the kind ever before seen in Grand Rapids.

The hotel committee has found sleeping accommodations for 7,000 persons, but as many more will be taken care of in private families. The committee is now at work preparing a hotel guide, 50,000 copies of which will be distributed. The office committee has not made their reports yet and the entire work of preparing for the grand encampment will not be completed before September 1.

Mrs. Artie Van Dine a Candidate.

The members of Millicent have decided to put their record keeper, Mrs. Artie Van Dine in the field as a candidate for the office of great record keeper at the election to be held here during the grand encampment. Mrs. Van Dine is well known in Lady Maccabee circles and her friends believe she stands an excellent chance of being elected. They will bring the caucus in her behalf immediately.

City News in Brief.

Owing to the stringency in the money market S. M. Kent & Son have executed a trust mortgage in favor of all creditors on their stock, and assets to Charles B. Bowler, due in sixty days. The assets are about double the liabilities and all creditors will be paid in full.

The Mrs. M. Elise of Holland will spend Sunday in the city and will preach this morning in the First Baptist church for the pastor, the Rev. Dr. Boer.

Mrs. Elise and wife expect to leave next Wednesday for a trip through the West.

Division Tent, E. 12, 1, 2, has been contracted to rent a hall on the third floor of the Harrison building for the tent meetings. It will hold its first meeting there on the evening of August 5.

A street car made a rear end collision with one of Walter Paine's wagons at the corner of Wealthy avenue and Division street yesterday. The driver, M. Skoush, was slightly bruised.

Mrs. Mary A. Gray and son James and Mr. and Mrs. Charles E. Linger of Henry street left yesterday to spend a week at Ottawa beach. They will occupy the Dunton cottages.

There will be a lawn fete at the residence of James Delbee, on East street, tomorrow evening, for the benefit of the East Street congregational church.

A memorial service will be held in the Second Baptist church on a grand street today for the four little children of Mr. and Mrs. Devo, who died in May.

Edith Hanna is seriously sick at her home on Cherry street.

James G. Leaska, photographer and typewriter for the firm of Smith &

Kinnam, left last evening to spend a week at the fair.

Miss Marie McIntyre of Duluth, bookkeeper in the private banking house of Clark & Cramsey, is visiting her brother, G. A. McIntyre.

J. W. Hannan of the Grand Rapids Book Binding company, and John Finn of The Press, left last night for Chicago.

A portrait of the late Judge Ira H. Parham will be formally presented to the superior court Tuesday afternoon.

The Rev. H. Dugby Johnston of Chicago is engaged for one year from July 1 by the Valley church.

Clarence A. Cotton has tendered his resignation as deputy county clerk to take effect August 1.

The Royal Templars will hold a gospel temperance meeting in the McMillen block this afternoon.

L. M. Lester, floor-walker at Spring & Company, will spend the week at Cascade Springs.

The Rev. John T. Husted will address the 4 o'clock meeting of the Y. M. C. A. this afternoon.

H. A. Miller, the veteran pop corn vendor, has returned from a visit to Ohio.

Miss E. May Post returned Wednesday from a week's visit to the world's fair.

Light weight shirts and pajamas for hot weather wear. GARDINER & BARTER.

Finn at the Fair.

John Alexander Finn, the ubiquitous reporter of many strange and incomprehensible fancies, went to Chicago last night to show the officials how to run the world's fair. He will visit the various foreign buildings to gather material for an unpropagandized edition of "Mrs. O'Hoolihan's Wild Ride on a Goat." When he returns the world's fair grounds will be practically deserted, for he is a whole colony of curiosity and a full grown settlement of reporter-inquisitiveness. If there is anything between the three fences and Lake Michigan that escapes his scrutiny it will be the under side of the lawn and the bottom of the lagoons. He will be a walking encyclopedia of fact and fiction of the fair when he gets home. All in all he is a clever fellow, a brilliant writer and an excellent newspaper worker, and all the boys wish him a delightful vacation.

Preparing for the August Meet.

The driving club held a meeting in the Morton last night, and spent a very pleasant evening discussing the results of the Detroit races. It was decided to enforce the rule at the August meeting that only the starter and judges should be allowed in the judges' stand. Tickets for the meeting will be placed on sale at 6 o'clock each morning, and the grounds cleared at 11. The payment of purses to the winners will be made each night in the Morton. The entries in the purse races closed yesterday, but it will be several days before they are all heard from. Among the horses that will start are Coraloid, 3:22 1/2, and Bell Flower, 2:13, both entered in the free-for-all trot. There will probably be 150 entries in the purse races. McCarthy will act as starter, and Armstrong will have the pool privileges.

Spur to Gun Lake.

It is again rumored that the G. R. & I. road will build a branch from Shelbyville to Gun Lake, and make the latter a summer resort. Gun Lake is one of the prettiest places in Michigan. The lake is a beautiful sheet of water four miles long and three miles wide. The scenery is ideal, the fishing excellent and there is every facility for making the spot a charming resort within two hours ride of Grand Rapids. At present the one way to reach the lake is to drive from Shelbyville, a distance of five miles. The cost of putting in a branch will not be very great, but the spur can be utilized only in summer. There is no freight business that can be obtained, and the officials of the road are not sure that the branch can be maintained at a profit on the original investment.

Cheap Excursions Not Profitable.

The cheap world's fair excursions have not been very profitable to the local roads thus far. The public has shown little inclination to avail itself of the one-rate fare. The C. & W. M. ran a cheap excursion yesterday which was anything but a paying venture. The fact that the fair is closed Sunday may have had something to do with it; but the tickets are good for seven days. The G. R. & I. road will run a cheap world's fair excursion Thursday. It is possible that the cheap rate scheme will be abandoned if the public does not manifest a greater desire to take advantage of the \$5.40 rate. The local railroads seem willing to do their share, but they have no desire to run excursions to Chicago for the mere sake of seeing the car wheels go round.

Board of Trade Matters.

Secretary Kinsey of the board of trade has received letters from representatives of two manufacturing institutions stating that they will be here within a week to look over the field with a view of locating here. One of the enterprises is a manufacturer of plumbers' supplies, and the other is a manufacturer of certain lines of vehicles. The plan of the latter is to organize the business as a joint stock company, with a capital of \$125,000. The company is prepared to make a fair and reasonable proposition, as to its share of the same, and to show records of the business in the past. It claims to be able to show a net yearly earning of over 30 per cent on a capital of \$40,000.

Birthday Party.

A pleasure party chartered by McMillan Elain and Potter, enjoyed a very pleasant time at Reed's Lake Thursday afternoon and evening, the occasion being in honor of Miss Mamie Blain's birthday. Those present were the Misses Minnie and Anna Schouten, Grace and Mamie Rose, Abbie Smith, Mamie Blain, E. Leves, Lull, George Shields, Mrs. Shields, Mrs. Swarthout, and Mrs. Gardella. All had a pleasant time and wished Miss Mamie many more birthdays to come as happy and pleasant as that one.

Heavy Crop.

Barney Frier, who has 100 acres of wheat near Berlin, says he has harvested 575 acres of it the past week, and has

it stacked, and that it will yield thirty-five bushels per acre, the bundles lying so thick on the ground that one can walk all over the field without stepping off the bundles. He will finish harvesting the other fifty acres the coming week.

RECOGNIZED MERIT.

The Railway Age Pays a High Tribute to Dr. H. Emmet Welsh.

Dr. D. Emmet Welsh has been invited to read a paper before the convention of New York railway surgeons, to be held in New York some time in October. The subject is to be Dr. Welsh's methods of testing for color blindness. He has also been invited to read a paper on the same subject before the national convention of railway surgeons to be held in Galveston in April. A recent number of the Railway Age contains a flattering notice of Dr. Welsh's pamphlet on methods of testing for color blindness. The Age believes Dr. Welsh has found the safest, surest and most scientific means for detecting this particular form of defective vision. It also states that the sooner his methods are generally adopted in making examinations the sooner the number of railway accidents due to color blindness will decrease.

Dr. Welsh has been specializing in this particular department of optical diseases for several years now, and is becoming recognized throughout the country as an authority.

They Return Thanks.

The members of the Children's Home society are highly elated over the success of the law fete, and the management desires to express thanks to all those who so kindly contributed to the success of the same, especially to Mr. and Mrs. Underwood, who in addition to personal services, generously gave the use of their house and grounds. Thanks also are tendered the Country club for lanterns, W. R. Selby for headlight, O'Brien Bros. for chairs, Allen Duffee for chairs, Mr. Clute for tents, and L. E. Patten for cakes. The members appreciate the kindness of the daily newspapers, and attribute much of the success of the fete to the liberal advertising contributed by the daily papers.

Ethelyn Lodge Officers.

Ethelyn Lodge No. 121, Daughters of Rebecca, installed the following officers at its last meeting: N. G. Mrs. Failing; V. G. Mrs. Sabin; recording secretary, Mrs. Sanford; financial secretary, Mrs. Sabin; treasurer, Miss Maggie Noyes; warden, Mrs. Hartman; conductor, Mrs. Galbreath; R. S. to N. G., Mrs. Galer; L. S. to N. G., Mrs. Fowler; R. S. to V. G., Mrs. McMillen; L. S. to V. G., Mrs. Patterson; inside guard, Mrs. Barrett; outside guard, Mrs. Thiboe; chaplain, Mrs. Thiboe.

Another Regatta.

The regatta given by the Grand Rapids Boat and Canoe Club last Wednesday proved to be so much of a success and awakened so much enthusiasm in the club that it has been decided to hold another regatta at the latter part of August. It will be open to junior teams only and invitations will be extended to other clubs to participate. A meeting of the club officers will be called sometime this week to make arrangements for the event.

Medical Association Convention.

The Grand River Valley Medical association will hold a convention at Macatawa park, August 2. Papers will be read by Dr. S. C. Graves, D. Emmet Welsh and J. B. Griswold of this city. Nearly all the leading physicians and surgeons of the Grand river valley are members of the association, and an interesting meeting is expected. The convention is held at Macatawa park on account of the hot weather.

Good Outlook.

A Vanderhoof of Cascade township, who owns a large farm, reports an immense crop of corn, oats and potatoes in that section as the present outlook, while wheat will be a fair yield, a part of which is already harvested. Hay, he says, was never more productive or of finer quality.

Pleasant Luncheon.

C. S. Bullen and wife of No. 234 South College avenue entertained many of their friends Wednesday evening with a luncheon and card party. The delightful affair was given in honor of Miss Eleanor Finch of Los Angeles, California.

REMARKABLE INSURANCE INVESTMENT.

\$15,379.38 Paid on \$15,000 Insurance, Besides Cancelling a Loan of \$900.

GRAND RAPIDS, July 18, 1933.

G. A. Watkins, general agent, Detroit, Mich.

DEAR SIR—I wish to express to you and the officers of the Penn Mutual Life Insurance company my thanks for the very prompt payment of the two policies of \$3,000 and \$10,000 on the life of my late husband, John A. B. Mead. Profits of loss were made on the 29th ult., and today I received the company's check for \$15,379.38.

The accumulations on these two policies during the four years they have been in force have been sufficient to pay off accommodation loans amounting to \$600, and also to pay me \$379.38 in excess of the face of the policies—(\$15,000).

This remarkable showing, the very courteous and considerate treatment received at the hands of your agents Messrs. Munell & Maseck, in making the proofs, and the prompt payment of the claim, commend your company to me in much stronger terms than my weak words can express.

Yours sincerely,

LAURA B. MEAD.

The above letter explains itself. The policies of the Penn Mutual are absolutely incontestable after two years, by the following clause printed in all its policies: "This contract after two years from its date, will be incontestable except for non-payment of premium as provided herein." Persons buying insurance in this company buy no lawsuits. Its policies are non-forfeitable, incontestable, have paid up value. Loan value at 6 per cent interest and extension.

This old quaker company is one of the most solid, safe, carefully managed, conservative companies in this country.

For agency apply to G. A. Watkins, general agent, Detroit, Mich. For insurance "that does insure," apply to J. S. Maseck.
